### **Wine Tasting in Getman Hall**

St. Paul's' popular wine tasting event is back, and this time it's in-person! Join us on February 18th in Getman Hall for a very special Tour of Italy! Our wine expert Dave Greenstein will be sharing 5 wines from 5 different grape regions of Italy, each with its own unique story. We will also be offering a variety of tasty finger foods that pair well with each wine -- learn how wine compliments specific foods and brings out different flavors. This will be a fun and interactive experience! In addition, all participants will receive their very own souvenir wine glass featuring the St. Paul's logo!

**Ticket cost: \$75**

**Includes: Tasting of five wines & educational session**  
**Pairing foods / hors d'oeuvres**  
**Keepsake wine glass**

### **Silent Art Auction**

Please stay after the wine tasting as we announce the winners of our Silent Art Auction featuring art work by several talented St. Paul's artists.
